ECY 040-1-14 Rev. 8/91 F Department of Ecology

Scale: 1 inch = 800 feet (each small square = 10 acres)

Show by a cross (X) the location of point of diversion (surface water source) or point of withdrawal (ground water source). For ground water applications, show by a circle (O) the locations of other wells or works within a quarter of a mile.

Indicate traveling directions from nearest town in space below.

From Ellensgurg travel west on I-90 approx. 8 miles. Travel south on Thorp, 1 mile. Continue south on Killmore Road for 1 mile. Stay on Killmore Road as it heads west $\frac{1}{2}$ mile, then south again for 1 mile to intersection with Robinson Canyon Road, which is the southern terminus for Killmore Road. The property is in the NE quadrant of this intersection.
